

Fundraisers Needed

The Club's trustees are seeking people with fundraising and event management experience to form a committee to help raise much needed funds towards the costs of building and fitting-out the proposed new Sports and Community Centre located alongside the Norman Park athletics track. We hope to start work on the new facility later this year, subject to having most of the finances in place.

This is your opportunity to help ensure that residents from Bromley and adjoining boroughs have a first-class athletics and multi-purpose sports venue to use for current and future generations.

If you have the relevant knowledge and some free time to give to the Club we would like to hear from you.

Please send a brief description of your experience to:
pdpatten@outlook.com

Thank you for considering this request for assistance.
