### SAL, Basingstoke – initial report

Late call offs and general non availability disrupted this first SAL meeting of the season, held at Basingstoke on Saturday 17<sup>th</sup> May, with the team finishing 6<sup>th</sup>.

5	Chelmsford	246
6	Blackheath & Bromley	148

There were still some impressive performances and team spirit. Winners were **Ryen Rennie** in the Mens B 400m in a time that would have got him 3<sup>rd</sup> in the A string, with the event highlight for the club being a very impressive win for the **4x100m team** in 43.81.

Also on the podium were **Kyle Reynolds-Warmington** in the 100m A, Tom Sugden in the 400m, Mark Constable in the 800mB **Roger Platt** and **Madeleine Dodd** in the PV (Roger also scored in the hammer), **Emily Hayden de Carbonnieres** in 100mB and triple jump. ### **Kent YAL (summary)**

A very successful event again for the club – U13 boys & U15 girls topped their table, the u13 girls were 2<sup>nd</sup> and u15 boys were 3<sup>rd</sup> – all contributing to an overall win - draft positions are as follows:

#### **Overall Points Results**

1	G	Blackheath & Bromley Harriers AC	611	8
2	D	Dartford Harriers	553	7
3	A	Ashford AC	538.5	6
4	M	Medway & Maidstone AC	470.5	5
5	W	Tonbridge AC	469	4
6	K	Kent AC	464	3
7	C	Cambridge Harriers	452	2
8	Z	S Factor Academy	419	1

For the U13 boys team fantastic Individual wins for **Jonathan Ebohon** in the 200, **Frederick Mooney** in the HJ and LJ, **Daniel Ireland** in the shot but what struck me most was how we consistently scored in the top 3.

In the U15 boys it was again that consistent scoring that resulted in their 3<sup>rd</sup> place. Individual wins for **Luke Eperon** in the 2k walk and **Aati Gananathan** in the Javelin B were impressive, but it was the continual good scoring that saw the team to 2<sup>nd</sup>.

It was the same story in the girls – U13 winners were **Pearl Coulson** in the 70m H, the 4x100m team and **Isabella Costin** in the 150mB. Winners for the U15 G were **Matilda Murray** in the 75mH, the 4x300m relay team, **Alessia Scala** in the HJ, **Dulcie Simpson** in the Hammer and a double B win in the discuss and hammer for **Isla Watson**

Well done to all who competed!

Full reports are below – many thanks to the Team Managers for providing these!

### Park Run

53 runners\* ran Park Runs on Saturday 26th April 2025 at 24 different locations.

Looking for this week's furthest run from the clubhouse, I assumed it would be **Sally Smith** at Vingis in Lithuania. I saw that **Trang Nguyen** had run at Richmond Olympic and assumed this was a newish one over in Surrey. However, no it is Trang off on her travels again – this time in Vancouver, Canada. Trang was also first female at the event.

### **Other News**

Open Day -June 16<sup>th</sup>

The next Open Day is now open for entries!

### **The Big Half**

Winners in the ballot were drawn at the Clubhouse on Wednesday. Congratulations to Tim Ayres, Jon Pairman, Harry Schmidt and Simon Harris in the draw, and to Katy Sugden and Jane Bradshaw for the volunteers places.

### **VP Supper**

The VPs supper on Friday 16th May went really well, with IPP Ashley Pearson introducing her new VPs. It was fantastic to see a broad cross-section of the club all coming together to swap stories, discuss athletics issues, such as age group changes for 2026, and generally catch up.

### **Kit request.**

On the second-hand stall at the KYAL, there were quite a few requests for smaller size spikes and general running/sports clothes. If anyone has children's sports kit they no longer need, please consider donating it to the club as there only seemed to be much bigger sizes available today.

**And Finally** – still on the topic of kit.

In November 1930, the Gazette contained an advert

- Found – several moth-holes surrounded by a running vest. Smell awful. Apply at HQ.
- I understand the owner has yet to retrieve it!

Middle Distance

- In the 800m, the boys showed real determination and resilience:

### Relay

- We ended the day on a high with an electrifying 4x100m:
  - The team of Carter, Oscar, Rohan, and Jonathan stormed to 2nd place in 52.20s, just 0.2s behind 1st. Carter got us off to a flying start, and Jonathan's turbo-charged anchor leg nearly clinched the win. The time shaved 0.21s off our previous YDL run – great to see that practice paying off!

**Presidents News 21 May 2025****U15 Boys – report by Jo Martin, Team manager**

Following our second rather chilly YDL meet on Sunday 19th May, we had some fantastic performances across the team!

To start the day off Evan achieved an impressive PB of 10.75m in shot, showing real strength and progression. Oliver also looked strong in the B string, putting in a solid performance throwing 9.50m. Both athletes went on to compete in the discus as well—Evan finished 3rd, showing great consistency across events, and Oliver won the non-scoring string with a strong throw. A brilliant double effort from both!

Alex tackled a tough hurdles race with excellent technique and ran with real determination securing 4th position. Kesinachi had his first competitive hurdles race of the season, looking comfortable and composed throughout. In the non-scoring race, Luca put in a brilliant performance, achieving a new PB and securing an impressive 2nd place.

It was also great to have Seb back in action this season—he was looking strong, particularly in the high jump before he had to withdraw due to injury at 1.40m. Despite this setback, he continued to compete in the javelin throwing just over 36m—amazing!

A special mention to Zachary Horton, who made his debut for BBHAC and had a fantastic first event in the javelin, throwing just over 28m—so close to the 30m mark he was aiming for. I'm sure it won't be long before he smashes that target!

Luke delivered an incredible 2k race walk, taking a commanding 1st place and even lapping the competition—a fab performance!

Aathi had a busy day, competing in both the discus and javelin, holding his own and looking strong across two very competitive events and gaining a great 2nd place in discuss with an impressive throw of over 31m— great commitment and consistency throughout.

Jericho stepped in as a non-scorer and had an amazing high jump, earning a PB of 1.56m, a great watch and then joined his brother Nico in the 4x100m relay. Jacob also competed in the high jump, showing great focus and effort throughout.

Sylvester had a fantastic day too, running a PB of 12.3 in the A string 100m, finishing 4th, while Zachary F opened his sprint season strongly with another 4th place finish and Nico working hard in the NS 100m to gain 3rd place.

Luke delivered an incredible race walk, taking a commanding 1st place and even lapping the competition—a dominant performance!

Luca took on the 200m A string, holding his own (a year young too) in a highly competitive field and finishing strongly. Harrison also looked solid in the B string, running a strong race. It was great to see David make his debut for BBHAC with a composed and competitive non-scoring race.

Matthew, Billy & Lewis competed well in the 800m middle distance races, which were all extremely competitive and fast-paced. They showed great effort and determination in tough fields gaining invaluable points for the team. Billy & Lewis both gaining new PB's which was great to watch.

And last but by no means least were the 4x100m and 4x300m relays—always a highlight and great fun to watch, and these were no exception! Both teams were running together for the first time and delivered exciting performances.

Sylvester, David, Nico, and Jericho ran a brilliant 4x100m relay, each delivering strong legs and finishing in an impressive 3rd place.

In the 4x300m relay, Jesse, Billy, Matthew, and Luca competed in a very strong field and ran a fantastic race—showing great teamwork and determination.

Well done to all involved—another brilliant day of athletics, full of energy, effort, and team spirit! Fantastic to see that BBHAC took the overall Kent win on the day too, not bad - 2 out of 2 so far 😊

The next event will be the 2nd YDL on Sunday 1st June – team selection for this will follow shortly.

Again, apologies, if I have missed anyone off or not mentioned any PB's achieved on the day.
